What You need to know about **ADVANCE DECISION ON LIFE-SUSTAINING TREATMENT ORDINANCE**

The legislation on Advance Decision on Life-sustaining Treatment Ordinance will come into effect in May 2026. To support healthcare professionals to deepen their understanding on AMD, ACP and enhancing communication skills, our project has produced a series of related online training videos and resources. Video “預設醫療指示：甚麼是維持生命治療？” is created to assist healthcare professionals to initiate ACP and AMD with patients and families.
